A Quick Tour of the Range

THE ROOKIE

A basic umbrella to put your logo out there. The ROOKIE is a PRICEBUSTER!

THE PAR

Add a little robustness, a classic wooden handle and a huge colour range. The PAR is one of our most popular models.

THE PRO

So you want good looks too? Black electroplating and a stylish wooden handle add a touch of class to THE PRO.

THE EAGLE

Move up to the rugged good looks of fibreglass, plus a safety runner so you don't nip your finger on the release clip.

THE CYCLONE

Not only fibreglass and safety runner, but vented as well to avoid the embarrassing blowout.

THE HURRICANE

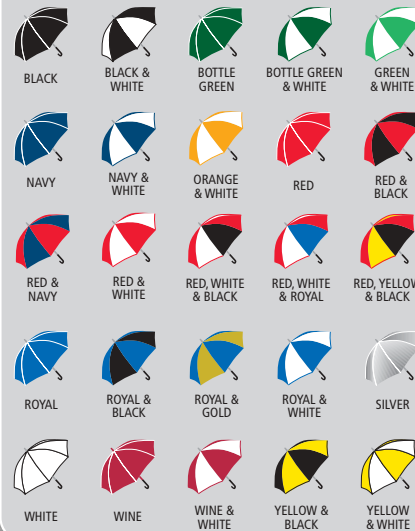

The ultimate in sports umbrellas. Extra strong fibreglass construction. Hurricane Vented technology that will survive any wind (even when you don't!).
